

Are you Concerned About the Air that you Breathe? Want to Know More about the Air in your Community?

Join a Citizen Science Study in the Globeville and Elyria-Swansea (GES) Neighborhoods!

Why Join this Study?

- ❖ Learn about the air that you and your family breathe
- ❖ Learn how to take action to protect your health
- ❖ Learn how to decrease your exposure to air pollution

Would this Study be a Good Fit for me?

- ❖ You are at least 18 years old
- ❖ You don't smoke
- ❖ You live in the Globeville or Elyria-Swansea (GES) neighborhood

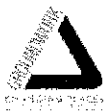

What does this Study Involve?

- ❖ There will be four home visits
- ❖ You will wear an air quality monitor
- ❖ You will be asked to answer some questions
