## HAUNTED MATH NIGHT

THURSDAY, OCTOBER 25, 5-7 PM

Garden Place Academy will be hosting a frightfully fun Math Night night that will help parents gain the support needed to help their children succeed in Math. Parents and students will learn different Math games and strategies to use at home. The Haunted The night will include food, art, music, and exciting Halloween and Día de Los Muertos math strategies fun to use at home with the whole family.

So join us if you dare for a Boo-tiful night full of Gh'oul times!
