Dear Garden Place Academy Parents,

Clinica Tepeyac is committed to the health care of our community. Last year we provided **oral health screenings to students at Garden Place Academy** and this October we will be offering these screenings again. If you would like your **Garden Place Academy student** to receive an oral health screening, please complete the **permission slip** that will be sent home with your student next week.

Clinica Tepeyac is providing ORAL HEALTH SCREENINGS

to Garden Place Academy students in grades ECE, 1st, 3rd, 4th, & 5th

October 29th - October 30th - November 1st - November 2nd

@ Garden Place Academy

What is an Oral Health Screening?

A dental hygienist will check your child's lips, tongue, teeth, gums, inside of the cheeks, and roof of the mouth for signs of oral diseases - especially tooth decay. This is a 2-3 minute screening, not a full dental exam and should not replace a visit to the dentist. The purpose of an oral health screening is to give you some guidance on your child's oral health needs.

PLEASE FEEL FREE CONTACT ME IF YOU HAVE ANY QUESTIONS.

THANK YOU!

RENE HALL - 303.458.5302 X 2922 - RHALL@CLINICATEPEYAC.ORG
