**Projections discussion**

- Pre budget planning - now until Mid January
- Projections came out on December 3rd
- Deadline for feedback is December 13th, but we are going to go with their projected numbers.
- Reserves are now capped, so if we want to exceed their limited reserve numbers, we will need to submit a plan. Ms. Renteria doesn't think we are at that threshold so we will not need to make that decision this year.
- CSC Meetings happen between January 10th and February 7th for our budget development process
- February 7th is the deadline for Budget Forms
